## SALAMI ISMAIL TUNDE

---

### OBJECTIVE

---

Seeking a challenging career where I can make positive impact in its growth, transform my potential into fully developed expertise and contribute my quota with a conducive team spirit while meeting challenges that will improve my skills.

### SKILLS

---

- 5S, cGMP, FMCG and food processing techniques
- Laboratory skills: using of AAS, UV, Flame photometer, GC-FID etc.
- IT Skills: Knowledge on computer operating system, Microsoft Word and Excel
- Capable of working effectively under pressure
- Good inter-personal skills, proven effective to work independently, as a member of a team and as a team leader
- Active listening and learning skills

### KEY ACHEIVEMENTS

---

- Publication on; Assessment of heavy metals concentrations in selected road-side fast foods in Ibadan, Oyo state. **IJSER ISSN 2229-5518**
- Best supportive analyst 2017/2018, Primera Food Nigeria Limited.
- Successfully organized a tutorial for senior secondary school students at Girls' secondary technical school, Umuaka that led to the overall growth of the school.
- GOMC (Google Online Marketing Challenge) Regional winner, 2014

### EDUCATION

---

B.Tech in Pure and Applied Chemistry	2008 – 2014
Ladoke Akintola University of Technology (LAUTECH), Oyo State	
O' Level (WASSCE), Anglican Grammar School, Ogbomosho, Oyo State	1998 – 2004

### CERTIFICATIONS

---

Nigerian Environmental Society, <b>NES</b>	2021
Institute of Public Analysts of Nigeria, <b>IPAN</b> (in-view)	2020
ISO 9001:2015 – Quality Management System (QMS), <b>Alison</b>	2020
ISO 14001:2015 – Environmental Management System (EMS), <b>Alison</b>	2020
ISO 31000 – Risk Management Awareness, <b>United Safety &amp; Quality Council</b>	2020
Six Sigma Yellow Belt, <b>VMedu</b>	2020
Safety Data Sheet Awareness Certification, <b>International Association for Chemical Safety</b>	2020
Personal Protective Equipment Awareness, <b>International Association for Chemical Safety</b>	2020
Certificates of Competence; Health, Safety, Security and Environment, Levels I, II & III	2015
<b>Millennium Training Acquisition</b> - Member, British Safety Council and IIRSM	

## **WORK EXPERIENCE**

---

### **Jenneoby Environmental and Laboratory Services, Lekki, Lagos State**

**Apr, 2019- Date**

#### **QA/QC Laboratory Analyst**

- Develop and review relevant SOPs in relation to cGMP and GLP to ensure all major procedures are documented, current and approved.
- Receive, label and analyze environmental samples (Effluent, Surface water, Ground water, Storm water, Sediment, Soil, etc.).
- Record all data and results in specified forms (paper and electronic) with accuracy and responsibility.
- Update the quality manual and other documents necessary to the Quality Management System
- Ensure adherence to Good Laboratory Practice (GLP) in order to maintain world-class laboratory operations.

### **Odun Environmental Limited, freedom way, Ikate, Lekki, Lagos State**

**Nov, 2017- 2019**

#### **Environmental Laboratory Analyst**

- Conduct analysis on environmental samples to evaluate the likely environmental impact on socio-economics and human health.
- Performing laboratory tests in order to produce reliable and precise data to support scientific investigations.
- Ensuring the laboratory is well-stocked and resourced.
- Keeping up to date the scientific ASTM, APHA and EPA methods of analysis
- Following and ensuring strict safety procedures and safety checks.
- Recording and interpreting results.

### **Primera Food Nigeria Ltd., (Supreme Noodles), Agbara, Ogun State**

**Dec, 2015 - 2017**

#### **Quality Control Laboratory Analyst**

- Conduct various laboratory analyses of Raw Materials and Finished Products
- Study the effect of composition, structure, reactivity and preserving of fat and oil by various methods.
- Prepare test solutions, or reagents for laboratory personnel to conduct tests.
- Evaluate laboratory safety procedures to ensure housekeeping status of all the equipment and environment associate with the Laboratory.
- Ensure that non-conformity products are quarantined without delay, and appropriate corrective actions are taken in cases where out of specification results are obtained.

### **Girls' Secondary Technical School, Umuaka, Njaba L.G.A, Imo State**

**2014 – 2015**

#### **Chemistry Teacher (NYSC)**

- Prepared and delivered activities that facilitate active learning experiences in chemistry
- Observed and evaluate students' performance and development
- Assigned and grade class work, tests and assignments

### **University College of Medicine, University of Ibadan, Ibadan, Oyo State**

**2012**

#### **Laboratory Assistant (SIWES)**

- Exposure to the use of some physiochemical equipment such as spectrophotometer
- Carried out some laboratory analysis such as glucose and urine test
