Profile

I am a result driven graduate with excellent management and organization skills. I am self-motivated and excellent at working with others to achieve set goals. I possess a checklist of excellent and transformational leadership qualities and experience. Meticulous in my approach to research, high quality report and analysis skills in the requisite style and format, I can be trusted to deliver and exceed standard. I am accustomed to working in a challenging environment particularly when dealing with multiple projects and priorities at the same time.
